

HARINGEY NUT SECTION

Get more involved in your union - become an activist

Can you spare some time to help organise your
local National Education Union
(Haringey NUT Section)?

There are vacancies for primary and secondary
committee members.

Being a member involves attending one committee
meeting every half term which are held at the
Civic Centre, Wood Green, always on Tuesdays,
from 4.45pm - 6.15pm.

Committee members discuss local and national issues
and represent the interests of teacher members in
Haringey schools.

*If you would like to get more involved with the union,
or have any questions about the role of the Haringey
Teachers' Association, please contact Kim Slater on:*
